Tangent Dab2go BT

The Tangent Dab2go BT is a portable DAB+/DAB/FM and Bluetooth® radio. It is kept in the wellknown quality of sound, design, build and feel.

The Tangent Dab2go BT is easy operated and gives you extra entertainment options by adding portability to the already successful Tangent table-top radio range.

Have a lot of music on your iPod or other portable device? Just connect it via the Bluetooth® or auxiliary connection and get the most out of your favorite music.

So whether you're off to the beach or just headed downstairs to finish that job in your workshop, you can collect your Tangent Dab2go BT and bring it along. Just don't forget to bring it back in, popping it on the kitchen countertop when you're done so your spouse can tune in later!
